About

Introduction

Sports is not just a game - it's a culture! It connects people from diverse backgrounds and ethnicities, regardless of physical and cultural boundaries. It is also a great way to compete beyond borders and be a brand ambassador for the nation. At TCS, we continue to believe in the philosophy that programming can be both fun and challenging.

For the past 8 seasons, TCS CodeVita has been proudly promoting the Programming-As-A-Sport culture among global students. CodeVita is a contest where individuals across the globe participate and compete to win the coveted 'World's Best Coder' title.

Last season, students from 89 countries participated in this coding phenomenon. The finale had students from 6 countries, who battled it out for the prestigious title.

CodeVita Season 9 is all geared up to be the most challenging and exciting global coding contest of all time. Are you?

- Provide an opportunity to showcase offerings of TCS to the academic world
- Provides a platform to students to practice and enhance their programming skills.
- Provide exciting career opportunities for students in TCS
- Issues participation certificates for students who clear the pre-qualifier round.

Structure of the contest:

This season we are continuing with the Individual participation like the previous editions. There are multiple coding levels before the top finalist can progress into the Grand Finale. To participate in CodeVita, one needs to register on the TCS Campus commune Portal. There will be 3 main rounds to the contest.

Pre-Qualifier Round (Round 1): Will be conducted as two zonal rounds, a
