

Semester-long internship at FOSSEE, IIT Bombay

This year FOSSEE is bringing a great opportunity to work with IIT Bombay for a longer duration and enhance your skills in the comfort of your home. FOSSEE brings to you a semester-long internship. You get an opportunity to work with FOSSEE for one semester. You will have to submit the screening task and selection will be purely based on the submissions.

Please see the details on this website:<https://fossee.in/internship-program>.
