

Internshala Student Partner (ISP 21) is a work-from-home program where the selected students raise awareness about internships and learn essential skills like public speaking, networking, time management & customer service in just 70 days. In the previous edition, Internshala hired 20,000 students across India who proudly represented Internshala in their college campus and helped nearly 80,000+ students in taking a step ahead in their careers thereby helping improve the placement records of their respective colleges.

Benefits for the students -

- Gain work experience while studying in college
- A prestigious certificate and letter of recommendation
- Performance-based cash incentives, exclusive Internshala goodies, and many more

Students can visit to apply - internshala.com/i/ISP-CR-593 and fill the application form based on which we will evaluate the eligible candidates.

Eligibility - All the students (first year to final year) from any branch/stream are eligible to apply.

What will the selected students do?

- Conduct internship awareness seminars (online/offline) in your college to help the students in selecting the right career path
- Become the internship expert by sharing the latest internship updates and solving queries of their peers

There are no registration charges involved and the last date to register is 24th January 2021.
