

Annual Placement Report 21-22

Don Bosco College of Engineering
Training & Placement Cell
July 2021 - June 2022

VISION

To deliver competent and skilled resources to face the challenges of a global industry

MISSION

- ❖ Design training programs for continuous development of Staff and Students
- ❖ Offer guidance on career development, resume building and interview skills
- ❖ Needs assessment of the corporate world through partnerships with all the stakeholders
- ❖ Obtain feedback from industries and corporates
- ❖ Secure challenging job opportunities
- ❖ Create a culture of continuous development and self-learning

1. Activities

1. Training and Placement Office conducted the Pre-Placement Training online due the second wave of COVID. This training was a three-day event conducted for students of Batch 2023 of Don Bosco College of Engineering. The online training was conducted on Google Meet and Microsoft Teams platform with around 106 students registered and participated from branches of Civil, Computer and ETC engineering department. The online training included sessions on group discussion, personal interview, resume writing and general aptitude. Students also joined the Google classroom that was created for aptitude test and answered the test. The trainers for the Pre-Placement Training were Ms. Avila Naik, Ms. Jyoti Lewis, and Ms. Steefni Cruz (Science & Humanities Department)
2. The Training and Placement Cell of Don Bosco College of Engineering organized online webinar on the topic 'Career in Engineering'. This webinar targeted prospective students of class 10th, 11th, 12th as well as diploma and their parents. The objective of the webinar was to help aspiring students in choosing the right branch of engineering. Online webinar session was conducted on Microsoft Teams video conferencing platform on 31st July 2021 from 4:30 PM to 7:00 PM. The numbers of registrations received were 184 in number and the registrations were received from various cities of Goa. Ms. Grebiana Alemao was the moderator of the event and Dr. Shreyas Simu was the event coordinator.
3. The Training and Placement Cell of Don Bosco College of Engineering organized a webinar on 'Stepping into the Industrial World' for students of all branches of Don

Bosco College of Engineering. The talk was organized on World Youth Skill Day, 15th July 2021 on Google Meet from 3:30 PM to 4:30 PM. The speaker for the event was Ms. Divya Lotliker. She is a HR Professional and a Soft Skills Trainer. Currently she is working at Putzmeister Concrete Pvt. Ltd. Company as HR Generalist. The speaker while speaking about embarking the journey into the industry said that “Before stepping into the corporate or industrial world, I want you to question yourself, why you chose to be an engineer? What is your passion?” Through the whole webinar she touched upon these topics:

1. Being Prepared & Organized
2. Presenting yourself professionally
3. Communicating Effectively
4. Managing your time
5. Preparing for the Interview Process
6. Making best use of what we learn (Academics & Practical)

Ms. Avila Naik concluded the event, TPO by thanking the speaker for her valuable time and inputs. Principal of college, Dr. Neena Panandikar also thanked the speaker for a wonderful session. Dr. Shreyas Simu and Mr. Sachin Turi had coordinated the event.

4. The Training and Placement Cell of Don Bosco College of Engineering arranged a talk MBA for the students from Computer, Mechanical, Civil and Electronics & Telecommunication departments. The talk was organized on Saturday, 27th November 2021 on google meet. The resource people for the session were Ms. Sambhavi Ganguly and Ms. Tejasee Jagdish. Ms. Sambhavi works as a Management Consultant with Accenture Strategy and Ms. Tejasee Jagdish is working as Manager in Management

consultant at Accenture. Ms. Sambhavi started the talk with why she chose to do MBA. Ms. Sambhavi also said “Introverts can also do MBA, it’s not only for Extroverts” while talking about myths surrounding MBA. Ms. Tejasee spoke about why she also chose to do MBA and her journey after completion of the degree. Ms. Tejasee said “Do not go for MBA because your friends are going.” She spoke about the wrong reasons and the right reasons for choosing MBA degree. The talk ended with Dr. Shreyas Simu, Asst. TPO by delivering the vote of thanks.

5. Training and Placement Cell and Department of Science & Humanities of Don Bosco College of Engineering organized a session on Marine Engineer: Career Path on December 14, 2021, from 4 pm to 5 pm at the DBCE campus for First Year Mechanical Engineering Students. The main purpose of the event was to create awareness among students of the opportunities in Marine Engineering. The resource person for the session was Captain Norbert Rebello was introduced to the audience by Mr. Rio D’Mello. Captain Rebello began by reminding us that Marine Engineering is not an easy job and is not as glamorous as they show on social media. He added that at times they must work in engine rooms with temperatures as high as 45°C and the working hours range from 10 to 12 hours a day. He concluded by saying “Don’t study to pass exams, study to gain knowledge”. This informative event ended with the vote of thanks proposed by Mr. Aaron Rodrigues. Dr. Neena Panandikar expressed gratitude to Event Coordinators - Dr Kala Nayak, HOD, Science & Humanities and Ms. Avila Naik, Training and Placement Officer for taking the initiative to organize this session.

6. Don Bosco College of Engineering, Goa organized a seminar on “Career in 21st Century” for the students of Third Year on 22nd March, 2022 from 3.00pm to 5.00pm in college auditorium. The event was hosted by Prof. Amey K. Shet Tilve, Department of Computer Engineering. Mr. Ninad Panse, CEO skilling and education division AP Globale Sakal Media group was the speaker for the session. Principal - Dr. Neena Panandikar welcomed the gathering and introduced the guest for the session. Mr. Panse said “new creation may not always be achieved by business minds, creator must not be self-obsessed with own ideas and Time management is also very important”. The speakers’ presence was acknowledged by awarding memento. The vote of thanks was proposed by Avila Naik, TPO. The event coordinated by faculty members Amey K. Shet Tilve, Dr. Shreyas Simu and Avila Naik.
7. Training & Placement Cell of Don Bosco College of Engineering, Goa organized a Talk on Overseas Education for the students of Don Bosco College of Engineering on Thursday, 24th March 2022 at 3.30 p.m. at Seminar Hall-1. The event was hosted by Dr. Shreyas Simu, Asst. TPO. Mr. Anoy Sengupta, Manager - Business Development, IDP Education was the speaker for the session. He was accompanied by Ms. Unaiza Mulla, Head -Sales and Operations, IDP education. Mr. Anoy presented to them the details of education opportunities in 5 countries, viz. Canada, US, UK, Australia and New Zealand. While telling the importance overseas education he said “Main reason why everyone goes abroad for education is money that they will earn later”. Unaiza also gave her insight to the talk and said, “Studies abroad is not just about your course, it’s about your overall development”. Students had many questions about finances involved and the best

universities to study abroad. The event was coordinated by Dr. Shreyas Simu and Ms. Avila Naik, TPO.

8. The Training and Placement Cell of Don Bosco College of Engineering organized a talk on the topic 'Career in Engineering'. This event targeted prospective students of class 10th, 11th, 12th as well as diploma and their parents. The objective of the talk was to help aspiring students in choosing the right branch of engineering and making them aware of the admission process at the Directorate of Technical Education (DTE) for engineering colleges. The talk was conducted in Auditorium on 18th June 2022 from 10:00 AM to 12:30 PM. Ms. Christina Barretto, the moderator of the event gave a brief introduction of the purpose to the audience. Dr. Neena Panandikar, Principal welcomed all the guests to the event. Director, Fr. Kinley D'Cruz gave brief information about Salesian Society of Don Bosco and its founder. Ms. Alfiya Baig gave an overview of various popular Engineering disciplines and gave related information about how to choose a domain of engineering. She said, "Always have a Plan B. If you do not get your desired field you should choose the other option." Videos of engineering departments of Don Bosco College of Engineering were shown to the participants to give them an overview and glimpse of life at various disciplines in an engineering college. Prof. Swapnil Ramani gave a detailed explanation of the admission process that is conducted by DTE in Goa. During the Q&A round, all the questions were answered by the speakers and Principal. Avila Naik gave vote of thanks to Director, Principal and speakers who helped to make the session a successful event. She also thanked the participants for making the event a huge success.

2. Alumni Activities

1. The department of Civil Engineering of Don Bosco College of Engineering organized an Alumni talk for the third and Final Year Civil and Engineering students on 30 October 2021 at the institute. The sessions were conducted by Ms. Akshata Shet (ALUMNA Batch 2016), Mr. Kishan Mangeshkar (Alumni batch 2020) and Mr. Mazahar Shah (ALUMNUS Batch 2015). Each of The speakers spoke on the scopes of Civil Engineering after graduation. Each of them shared their experience of college life and at their workplaces. The vent was coordinated by Ms. Starina Dias, Faculty Coordinator.
2. The department of Mechanical Engineering organised an Alumni interaction session on 27 November 2021 to establish the department Alumni Coordination committee. Nine Alumni students from various batches were invited for the event. Mr. Sanjeel Naik, Alumni Coordinator welcomed all the alumni and briefed them about the alumni vision mission and objectives. The alumni coordination committee consists of Mr. Sanjeel Naik (Coordinator), Mr. Chetan Gaonkar, Mr. Gaurish Samant, Mr. Saurabh Raikar, Mr. Joyston Menezes and the alumni members include Mr Dattaraj Gawas, Mr Saidutt Kamat, Mr Divyajeet Naik, Mr Yatish Danegiri, Mr Tejas Pandit, Mr Raturaj Phadte, Mr Amogh Prabhudesai among others.
3. C-CODES in association with the Alumni committee and Computer Engineering Department, of Don Bosco College of Engineering organized a webinar on "Flutter - Design Beautiful Apps on 11th December 2021. It was held online

on Google Meet, and the webinar started at 12.30 pm. The 2 resource persons for the day were Miss Sahili Desai (Alumna Batch 2021) and Mr Shubham Gupta, Flutter Engineer. There were 50 SE and TE computer students that attended the session. Mr Shubham said that “The advance of technology is based on making it fit in so that you don't really even notice it, so it's part of everyday life. The coordinators for the webinar were Mr. Merwyn D'Souza and Ms. Siya Naik. The student coordinators were Carson (TE Comp), Gauravi and Vadiraj (SE Comp).

4. As part of the Alumni activity, a webinar on ‘Cardiovascular Health Analysis Using Physiological Signals and Machine Learning’ was held in online mode to enlighten the students on recent research in biomedical engineering. The webinar was held on the 07th January 2022 at 2pm on google meet platform. The resource person invited to deliver the talk was Ms. Nidhi Sawant, Alumna who is currently a PhD scholar at NIT Goa. The audience comprised of second year and third year ETC students at Don Bosco College of Engineering. Ms Nidhi commenced the session by giving a brief introduction to what biomedical signal processing and its applications. She explained that her research involved combination of signal processing and machine learning. She briefly touched upon the flowchart of how heart sound signal analysis is carried out and how the classification is made of whether the heart condition is normal or not. The event was very well received by all and students had an opportunity to learn about the biomedical field.

3. E-Cell Activities

1. Entrepreneurship Cell of Don Bosco College of Engineering, Goa organized Business Idea Competition under Entrepreneurship: Idea to Start-up Course exclusively for E-Cell Students on Friday, 24 September 2021 at 3.00 p.m. via Google Meet. Ms. Mathilda Colaco, Host and Event Coordinator highlighted the aim of this event and welcomed the participants, judges, and viewers for this event. Mr. Satyesh Kakodkar, E-Cell Faculty Member introduced Mr. D S Prashant, CEO - FiiRE (Forum for Innovation Incubation Research & Entrepreneurship), Mr. Rohin Parkar, Co-Founder & CEO - Mring Technologies (Spintly) and Ms. Kanan Tandi, Co-Founder - CogniQue as Judges for this event. E-Cell students (presently in Second Year of Engineering) presented 08 Ideas in the competition. The participants enthusiastically spoke about the idea mentioning the challenge and prospect of these ideas. Mr. Amey Tilve, E-Cell Faculty Member declared the results. The first Place awarded to Sonic Drone Fire Extinguisher idea presented by Ms. Nicole Ana Fernandes and Second Place to Quarantined Chefs idea by Mr. Leo Barros. The judges congratulated the winners and the participants too and provided their inputs for everyone. The event concluded with the vote of thanks proposed by Mr. Manjunath Narwate, E-Cell Faculty Member who echoed the words of appreciation to the Director, Principal, Judges, E-Cell Student Members, and the entire E-Cell Team. The event was planned and executed by the E-Cell Team - Mr. Satyesh Kakodkar, Mr. Manjunath Narwate, Ms. Mathilda Colaco, Mr. Amey Tilve, Dr. Shreyas Simu and Ms. Avila Naik.

2. Entrepreneurship Cell of Don Bosco College of Engineering, Goa organized SAMBHAV - e-National Level Awareness Programme of Ministry of MSME, Govt of India for the students at the Institute on Wednesday, November 17, 2021. Mr. Satyesh Kakodkar, Host and Event Coordinator welcomed MSME team, E-Cell faculty, and participants for this event. MSME team present virtually were Mr. D R Johari - Assistant Director, MSME; Mr. P. P. Kulkarni - Assistant Director, MSME; Ms. Deepa GL - Deputy Director and HOO, MSME DI Madgaon; Mrs. Mayuri Bhate - Entrepreneur, M/s Durvankur Enterprises and Mr. Joseph Mathew - Chairman, Madgaon Industries Association. Ms. Deepa GL in her welcome address gave an overview of the Ministry of MSME and the importance of the sector in the Indian economy. Mr. D R Johari moderated the session. He explained the importance of entrepreneurship and the way in which MSME does the handholding for the youth to promote entrepreneurship. The event concluded with the vote of thanks proposed by Mr. Satyesh Kakodkar, E-Cell Faculty Member and Event Coordinator who echoed the words of appreciation to MSME team, Rev. Fr. Kinley D’cruz, Dr. Neena Panandikar, Ms. Avila Naik - TPO & E-Cell Convener, ECell Faculty members and participants.

3. E-Cell of Don Bosco College of Engineering organized a session via zoom on 10 December 2021 under the Audit Course Entrepreneurship: Idea to Start-up by Dr. Poonam Ojha, Ph.D. in English, Founder - SAGA Enterprise which offers services in Spoken English and Professional Skills. Ms. Sharanya Ojha, budding entrepreneur too joined the session and provided inputs on highs and lows in the early phase of being entrepreneur. Ms. Clarita Theresa Liane

De Souza, FE Civil and E-Cell Student Member introduced the speaker Dr Poonam Ojha to the audience. In the interactive session, Dr. Poonam enlightened the students on how an idea can be implemented someday into a new start-up. She informed the students about the importance of ideas and focused on how to deal with failures. She said, “An entrepreneur cannot stop when there is a hurdle but needs to deal with such hurdles.” She covered the reasons for not being an entrepreneur and why one should be an entrepreneur. This session truly helped the students think about the new and wide range of opportunities available for them in the future to provide to society. The session was coordinated by Ms. Avila Naik, TPO and E-Cell Convener.

4. Don Bosco College of Engineering’s E-Cell installed its first ever Core Committee on December 17, 2021, at 3 p.m. in the Seminar Hall at the institute. The comperes for the day were Mr. Aaron Rodrigues (SE Computer) and Ms. Clarita De Souza (FE Civil). The newly installed E-Cell Core Committee members are:

Chairperson - Mr. Shubham Tendulkar (SE Computer)

Secretary - Mr. Vadiraj Inamdar (SE Computer)

Treasurer - Ms. Gauravi Kamat (SE Computer)

Members - Mr. Jovan Pinto, Mr. Pranav Naik, Mr. Nikhil Rao (FE Computer), Mr. Krish Sharma (FE Civil), and Mr. Prathamesh Chandgadkar (FE Mechanical).

Chairperson, Mr. Shubham Tendulkar, in his address spoke about his experience in E-Cell and about the course-EIS and gave insights into the activities planned for the students. He thanked the E-Cell for introducing the EIS course for E-Cell members. Next up was the ‘Journey of E-Cell’ by Ms. Avila Naik, TPO & E-Cell

Convener where she a great overview of the progress made by E-Cell since 2016. She elaborated about the three-year certified audit EIS course where the students are trained towards an entrepreneurship mindset and their skills are upgraded in that direction.

5. 'My Story': An insightful interactive session with alumni entrepreneurs was moderated by Mr. Nishil Hoogar (SE Computer). The Alumni Guest Speakers in the panel were Mr. Divyajeet Naik - Alumnus Batch 2018, Mechanical Engineering, Founder & Proprietor (DJN Creations); Mr. Noah Gracias - Alumnus Batch 2020, ETC Engineering, Proprietor (NG Autocare Goa, Un-Weed Goa, Sands & Waves Restaurant); Mr. Uddhav Uday Naik - Alumnus Batch 2016, Civil Engineering, Owner (Risaura - Engineers, Designers & Contractors, Co-owner, Pinaki Builders and Developers); and Mr. Shravan Hegde - Alumnus, Batch 2015, Computer Engineering, Co-Founder & CTO (The Legal Capsule). The speakers' presence was acknowledged by awarding them mementos. The vote of thanks was proposed by Mr. Manjunath Narwate, Faculty Event Coordinator. The event coordinated by Faculty E-Cell Coordinators - Mr. Amey Tilve, Ms. Mathilda Colaco, Mr. Satyesh Kakodkar, Mr. Manjunath Narwate, Dr. Shreyas Simu and Ms. Avila Naik (E-Cell Convener), Student Core Committee and the volunteers.
6. The Entrepreneurship Cell of DBCE organized a session on 18 June 2022, the guest speaker was Ms. Kanan Tandhi, Co-Founder and CEO CogniCue, which was organised on the various aspects of Entrepreneurship. The event began with a welcome note given by Mr. Shubham Tendulkar - ECell Chairman. Mr. Vadiraj Inamdar - ECell Secretary

introduced the speaker, followed by the session where Ms. Kanan Tandi shared her experience and key advice on various aspects of entrepreneurship such as: values provided, co-founder, skillset, trust, strengths, and weaknesses. Ms. Kanan also shared her insights regarding acquisition of companies, the key aspect stressed upon was: “Get bought rather than getting killed in a competitive marketplace”. This was followed by a question-and-answer session which was a highly interactive session. The event concluded with a note of thanks provided by Ms. Nicole Fernandes which was followed by presenting Ms. Kanan Tandi with a memento by Mr. Manjunath Narwate- ECell Faculty Coordinator.
